Eld. W. Ezra Sutherland will begin a series of meetings at Love Ridge church Saturday night. The day services will be conducted at Fairmount. All are invited to attend and take part in the work.

We are requested to say that Prof. Howell of Mackville has a large number of friends in this vicinity who are always glad to have him attend church here and take part in the song service, and in regard to the singing class it was suggested by the pastor and several members to have a singing school taught for the benefit of our church and Prof. Howell only offered in case they got new books to come down and give the class the benefit of his knowledge of music free of charge and we are surprised at any one objecting to it and as for him not being needed one only has to attend church here but once to be convinced about what is needed and not listen to the egotism of a correspondent.

The rogues seem to have a pick at a certain farmer in this district. If he is not disturbed by the squeaking of chickens it is the falling of fruit, or whatever comes in reach of the rogue. Where Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by P. J. Dyer's drug store.
